but need high level Food Safety Training?

SOFHT'S NEW LEVEL 4 FOOD SAFETY FAST TRACK TRAINING

The Society of Food Hygiene and Technology is now offering Level 4 Food Safety Courses for both food manufacturers and caterers in a Fast Track format to enable busy senior managers in the food industry to secure quality training without having to leave their business for consecutive days at a time.

"I am currently on the SOFHT Level 4 Training Course which enables me to fit in senior level food safety and hygiene around my job.

Crucial Sauces likes to be as proactive as possible so when there was an opportunity to try something new in the way that food safety training is delivered, we jumped at it!

As a Birmingham-based company, SOFHT's central location is also in a great location for our ease of access."

Birmingham-based Crucial Sauces**

Unlike other Level 4 food safety training courses

where modules are taken consecutively often meaning senior staff have to be off-site for a whole week, modules in SOFHT's five day food hygiene course will be run one day a week over five consecutive weeks (40 guided learning hours).

This Fast Track Course will be run throughout September and October. You could just attend one day for an attendance certificate, if a particular module was of interest to you!

SOFHT's Level 4 course is designed to meet industry's need for a high level practical qualification with external accreditation – candidates enrolling for this course will

take the Highfield examination either for manufacturers or caterers sector specific level 4 – making it ideal for senior food managers, production managers, area managers, hygiene auditors and trainers as well as those working at a senior level in the foodservice industry.

Fees are highly competitive,

candidates are charged SOFHT's normal daily course rate for each of the days they sign up to, i.e. £151 for members, £210 for non-members and students £50. Overall cost of attending would be between £755 (member) and £1050 (non member).

There are also two additional charges: the course book, a one off purchase for the whole course (£35 + VAT) and the examination (£40 + VAT).

The assessment consists of a two part examination. Part 1 will be multiple choice and part 2 will be written answers (4 out of 6 questions).

We recommend that you have completed a level 3 food safety course prior to enrolment although this is not essential. Regular attendance at SOFHT breakfast club meetings and courses will also greatly aid candidates wishing to take this examination.
