

Pushed for time

but need high level Food Safety Training?

SOFHT'S NEW LEVEL 4 FOOD SAFETY FAST TRACK TRAINING

The Society of Food Hygiene and Technology is now offering Level 4 Food Safety Courses for both food manufacturers and caterers in a Fast Track format to enable busy senior managers in the food industry to secure quality training without having to leave their business for consecutive days at a time.

"Working for Ecolab, being at the edge of food safety training and certification matters. So in the context of Covid 19 restrictions, I am happy that SOFHT managed to deliver online this high quality Level 4 Food Safety course.

I enjoyed interaction within a multidisciplinary and knowledgeable group of trainees guided by a methodical tutor who prepared us successfully for the assessment of Highfield Level 4 Award in Food Safety Management for Manufacturing."

**George Fiotakis, Applications Specialist,
Ecolab Food & Beverage UK**

Unlike other Level 4 food safety training courses

where modules are taken consecutively often meaning senior staff have to be off-site for a whole week, modules in SOFHT's five day food hygiene course will be run one day a week over five consecutive weeks (40 guided learning hours).

This Fast Track Course will be run throughout June and July. You could just attend one day for an attendance certificate, if a particular module was of interest to you!

SOFHT's Level 4 course is designed to meet industry's need for a high level practical qualification with external accreditation – candidates

enrolling for this course will take the Highfield examination either for manufacturers or caterers sector specific level 4 – making it ideal for senior food managers, production managers, area managers, hygiene auditors and trainers as well as those working at a senior level in the foodservice industry.

Fees are highly competitive,

candidates are charged SOFHT's normal daily course rate for each of the days they sign up to, i.e. £151 for members, £210 for non-members and students £50. Overall cost of attending would be between £755 (member) and £1050 (non member).

There are also two additional charges: the course book, a one off purchase for the whole course (£35 + VAT) and the examination (£70 + VAT).

The assessment consists of a two part examination. Part 1 will be multiple choice and part 2 will be written answers (4 out of 6 questions).

We recommend that you have completed a level 3 food safety course prior to enrolment although this is not essential. Regular attendance at SOFHT breakfast club meetings and courses will also greatly aid candidates wishing to take this examination.
